

# JK-933A

# JOCKY

Automatic cloth rib cutting and rolling machine

## Features

1. Capable of cutting for light to heavy fabrics with variable width.
2. It can cut fabrics at angle of 45° and prevent strip deformation.
3. Quick switch to manual or auto type to control the speed.
4. Suitable for many kinds of fabric: knitwear, weave, denim, shirts and leather, widely applying for clothing, shoe and hat factories.
5. With tension adjustment device, 933A is ideal for spandex fabric and lycra fabric.
