Technical Specification

Model	JK8310A-13085	JK8310A-13085-J
Sewing range	X: 130cm Y: 85cm	
Stitch type	301 lockstitch form	
Max. speed	3000rpm/min	
Max. stitch length	0.5-12.7 mm	
Needle type	DBX1 (#8) 7#-14#	
Template clamping way	Pneumatic clamp type or compression type	
Hook	Double capacity hook	
Middle presser foot	Stroke of 4mm as standard, Max. position adjustable range: 20mm, position data 9mm	
Program input	USB	
Voltage	220V	
Pressure	0.4-0.6MPa	
Power	750W	850W
Packing size	1870x1335x1525mm	
Weight(G.W/N.W)	620/505kgs	680/565kgs
