## Technical Specification

### Vacuum Type Ironing Table

Model	TD-80x120
Condition	Brand new and latest version
Table Type	Vacuum type ironing table
Table size	1200mm X800mm
Vacuum motor power	550W/750W
Power Supply	AC 220V±10%,50Hz
Power Consumption	550W/750W
Vacuum pressure	< -150Pa
Rotational speed	2800rpm
Dimension	578x486x655mm
Weight(G.W/N.W)	80/76KGS
